Defense Says Sinatra Deal All a Hoax

By JAMES BACON

LOS ANGELES (AP) — The defense in the Frank Sinatra Jr. kidnaping trial, in an opening statement today, charged that the abduction plot was a hoax and added: "The actions of Frank Sinatra Jr. are suspect of chicanery from start to finish."

Charles Crouch Jr., attorney for Barry Worthington Keenan, 23, described by the government as the ringleader of the alleged kidnaping plot, told a federal court jury:

"A great deal of the evidence that will support the innocence of Barry Keenan will come from government witnesses."

"If the kidnap (Sinatra Jr.) cooperated or consented to his taking away, there is no crime. The issue here is not who committed the crime but was a crime committed?"

The government was to call its first witnesses today after a fast-breaking start engineered by a visiting judge who means business.

Again Shools in Notasulga Are Deserted

By REX THOMAS

NOTASULGA, Ala. (AP)—A boycott by white pupils left the classrooms at Notasulga High School deserted again today but still no Negroes showed up although the way was left clear for them to enter.

At nearby Shorter High School, state troopers said no white students appeared when the opening bell rang at 8 a.m. This indicated that the boycott had spread in that community as well.

However, six Negroes admitted to the Shorter school last week under federal court order went into their classrooms today.

A small force of state troopers remained on guard at both schools but at Notasulga there were no onlookers as there had been previously.

A private academy opened its doors to the boycotting pupils, and Negroes sought a court order to block state-aid tuition grants.

A suit to prohibit payment of grants-in-aid to private school pupils came after all white pupils left Notasulga High School. Notasulga has been ordered by a federal judge to admit six Negroes, but a newly raised legal barrier stopped them when they sought to enroll last Wednesday.

The Negroes may not return until after a federal court hearing Thursday at Opelika, Ala. The hearing was ordered after a city fire-prevention ordinance was used to turn the Negroes away.

Macon Academy, the private school established at Tuskegee last September after Tuskegee High was ordered integrated, began a new semester Monday with applications from some 200 new pupils from Notasulga and Shorter.

The State Board of Education, which 12 days ago ordered Tuskegee High closed because a boycott there had left the school with a student body of only 12 Negroes, later ordered a tuition-grant program to make state funds available to pupils in the private school.

A state law enacted in 1956 provides for grants-in-aid where public schools are closed.

Russian Areas Apparently Experiencing Dust Bowls That Pugged U.S. in 1930's

By GEORGE SYVERTSEN

MOSCOW (AP) — The dust bowls that plagued the United States in the 1930s have come to the Soviet Union, already beset by grain and meat shortages.

Agriculture Minister Ivan Volovchenko told the Communist party Central Committee Monday that about three million acres of land are abandoned each year in the Soviet Union.

"Wind and water erosion are inflicting tremendous damage on agriculture," he told a committee meeting in the Kremlin. "We must take all measures for the restoration and preservation of the fertility of eroded soil."

"In our opinion, it is necessary to adopt a special law which would provide for the

strict accountability of all departments, organizations, collective and state farms for preserving soil riches and for the sensible use of agricultural land."

Not all the three million acres abandoned annually are dust bowls.

"Huge areas are subjected to erosion, become overgrown with brush, are turned into swamps and are taken out of agricultural use," Volovchenko said.

While he did not say so, wind damage is high in the arid virgin lands of Kazakhstan and Siberia that Premier Khrushchev ordered plowed up to boost grain production.

There is not enough rainfall in these areas to provide a crop cover against the winds. This was the case in the dust bowls of the U.S. Southwest and High Plains three decades ago.

Ely Landau Is Something of a Landmark in Entertainment World in Recent Years

By HAL BOYLE

NEW YORK (AP) — Ely A. Landau, 44, is a big man with a big dream.

The thick-set film producer, little known to the public, has become something of a landmark in the entertainment world in recent years.

His dream?

"In 1946 about 80 million people went to the movies each week," he said. "By 1962 the figure had fallen to 42½ million a week. I wanted to do something to help recover that vast lost audience."

First, let's have a little background on Landau.

"My life is a rags to tatters story," he said, but it isn't at all.

Landau, son of a waiter, was born on the Lower East Side of New York and went to work after graduating from high school.

"I went from store to store selling flavors, extracts—anything a fellow could do to try and find himself."

During World War II he spent four years in the Air Transport Command, emerged as a sergeant, then tried to become corn-chip king of the metropolitan area. He didn't.

"I picked the wrong brand of

corn chips," he recalled. After a brief period with an advertising agency, Landau raised a couple of thousand dollars to form a pioneering company in film syndication for television.

In a few years the company owned three television stations, was producing 20 film or tape series, and was doing an annual business of \$25 million.

In 1959, the firm which Landau had founded for \$2,000 only five years before was sold by him and other shareholders for \$14 million.

Landau then invaded the film field, bought two small movie houses in Manhattan, and plans to produce 10 pictures over a three-year period.

Those who feel that Hollywood has become tradition-bound and out of touch with modern-day audiences find a ready ally in Landau.

"There is no greater wasteland in the entertainment world today than the movie wasteland," he said.

The answer, he feels, lies in \$700,000 to \$900,000 quality pictures with an adult appeal. To him the industry's reliance on \$20-million to \$30-million blockbuster epics is "a form of Russian roulette."

"I picked the wrong brand of

K. C. Rateliff in Race for County Judge

Today the Hope Star received authority to announce the candidacy of K. G. "Gent" Rateliff, a newcomer to Politics, for the office of County Judge. A lifelong resident of Hempstead County, Arkansas and a successful farmer, Rateliff made known his plans to "move Hempstead County off center and on the road to agricultural and industrial growth through a program of constructing and improving farm to market roads."

"Rateliff viewed the County Judges office as an important factor in building the economy and improving the general welfare for all of the people of the county. 'The office that I seek can mean little or it can mean lots to the people of Hempstead County. A County Judge, by simple inactivity, can build up a backlog of funds that are designed to be used for the benefit of the taxpaying public. If these funds are not used they should be returned to the taxpayer. It will be my constant aim to be an active county judge by building new roads, maintaining those already built and rendering service in every area of responsibility of this important office. An aggressive and forward looking judge can mean the difference in an economically sound and industrious community or one that is at a standstill.'

"Rateliff is the father of two daughters and resides on Highway 29 South of Hope. He pledged an active campaign and that he welcomed the opportunity of meeting each voter in an effort to 'get Hempstead County off center and on the move to a bigger, better, forward looking community.'

China Decision Took DeGaulle Off the Hook

By DAVID MASON

PARIS (AP) — Nationalist China's decision to break relations with France took President Charles de Gaulle off a diplomatic hook today.

De Gaulle's reported hope of re-establishing French influence in Southeast Asia hinged on his decision last month to recognize Red China. And Red China was dragging its feet until ties were severed between France and the Nationalists.

At his news conference Jan. 31, De Gaulle said he recognized Red China as the government of the mainland, Nationalist China as the government of Formosa.

The decision by Taipei appeared to be exactly what De Gaulle wanted. It saved him from the embarrassment of cutting ties with his old friend, President Chiang Kai-shek.

There was no immediate public reaction from French officials, who recently had indicated France was preparing to initiate the break itself.

Only 24 hours after France and Communist China announced Jan. 27 their intention to exchange ambassadors, Peking made a public demand for France to break relations with Formosa.

No public move was made by either France or Communist China to start their new relationship rolling with an exchange of charge d'affaires.

Suddenly, France notified Taipei that charge d'affaires would be exchanged and Taipei broke relations.

Reaction to Beatles of England

By RICHARD F. WHALEN

NEW YORK (AP)—Who, besides squealing teen-age fans, likes the Beatles?

A symphony orchestra conductor, for one. He comes from England, home of the mop-topped rock 'n' roll quartet.

Not evangelist Billy Graham, however. "I'm afraid I'm on a different wave length," he said Monday.

From thenation's press came editorial criticism. The Washington Post suggested that "the British are taking fiendish revenge" for U.S. exports of rock 'n' rollers to the British Isles in past years.

Reaction from the man-in-the-street included that of a career girl in Dallas: "To me, it was a 'so what?' reaction. They're no different from all the others, just with straggly hair."

The Beatles answered with one voice Monday when asked how they added up their success.

"Money," they chorused at a news conference.

They reportedly have grossed \$17 million in Europe. Capital Records said their hit song, "I Want to Hold Your Hand" sold 1,880,000 records in three weeks, fastest in the industry's history.

Provisions in House Version of Civil Rights Bill Open Up Just About Every Thing

WASHINGTON (AP) — Here are the main provisions of the House civil rights bill:

TITLE I—VOTING

The attorney general would be empowered to request a three-judge court to hear cases charging a denial of voting rights. An argument made for this provision was that cases are now heard by a single judge and delays of more than three years have resulted from their failure to act.

Registrars would be required to apply uniform qualification standards to white and Negro voters, and no voter could be disqualified for immaterial errors in qualification procedure.

A person with at least a sixth-grade education would be presumed to possess sufficient literacy to vote in any federal election.

All provisions apply only to federal elections.

TITLE II

PUBLIC ACCOMMODATIONS

All races would be entitled to equal services and facilities at certain places specifically mentioned, such as hotels, motels, restaurants, gasoline stations, theaters, and retail establishments that include eating facilities. In addition, coverage also would be extended to all public accommodations in which discrimination or segregation is supported by state action.

The attorney general would be authorized to bring a civil action seeking an injunction to halt any violations. No criminal penalties are provided but a person continuing to violate a court order would be liable to contempt proceedings.

TITLE III

PUBLIC FACILITIES

The attorney general could bring suit to desegregate any public facilities owned operated or managed by a state or local government. It is designed to cover such things as parks playgrounds swimming pools and libraries.

In addition, the attorney general could intervene in any suit brought by a private party seeking equal protection under the law, as guaranteed by the 14th Amendment to the Constitution.

TITLE IV—SCHOOLS

The attorney general would be authorized to sue to compel school desegregation. Both under this and under the previous title, many conditions must be met for the filing of suits, including receipt of a written complaint and a determination that the individual is unable to bring the suit himself.

The commissioner of education would be authorized to grant funds to help school districts carry out desegregation plans. The help would have to be requested by the local school officials.

TITLE V—COMMISSION

Extend the life of the Civil Rights Commission four more years to Sept. 30, 1968, and grant it new powers to serve as a national clearing house for information on matters involving

discrimination.

TITLE VI—FEDERAL FUNDS

This would authorize federal agencies to take affirmative action to end segregation and other discriminatory practices in federally assisted programs. The action would be left to each agency to determine for itself and includes the power to cut off the funds. The course of action taken by each agency would have to be approved by the president.

TITLE VII—EMPLOYMENT

A Federal Employment Opportunity Commission would be created to investigate complaints of discrimination in employment activities because of race, religion, national origin or sex, by businesses or labor unions with 25 or more employees or members.

The commission would be empowered to seek voluntary compliance in cases in which it found discrimination but, voluntary compliance failing, could go into court and ask an enforceable order.

TITLE VIII—STATISTICS

The secretary of commerce would be directed to conduct a survey to compile registration and voting statistics by race, color and national origin, in areas specified by the Civil Rights Commission.

TITLE IX—COURTS

This would provide for an appeal from a federal court order returning a civil rights case to a state court.

TITLE X—MISCELLANEOUS

Several technical details are wrapped up in this section, including authorization for funds to carry out the act and prevent any conflicts between the act and existing laws.

Race Barriers Down at P.B. Church

PINE BLUFF, Ark. (AP) — The Rev. Edward W. Harris, pastor of the First Methodist Church here, has announced that his church would accept members without regard to race.

Harris said many members of his church did not agree with his decision. He said he was following the official policy of Methodism.

First Methodist Church will apparently be the first Protestant church in Pine Bluff to admit Negroes, although Catholic churches admit them.

The pastor made the announcement during a Sunday sermon on race relations.

Sam J. Allen of Little Rock, executive secretary of the Arkansas Council of Churches, said that 11 white Protestant churches in Little Rock indicated they would drop racial barriers to membership.

He said the information came from questionnaires the council sent to Little Rock churches in preparation for Race Relations Sunday, last week.

House Rights Bill to Find Senate Tough

By JOHN BECKLE

WASHINGTON (AP) — The House has approved the civil rights bill in an overwhelming vote hailed by President Johnson as "a historic step forward for the cause of dignity in America." It now faces a tougher battle in the Senate where Southerners hope to whittle it down with talk.

As turned out by the House in a 290-130 roll call Monday night, the bill amounts to the most sweeping civil rights legislation in history. Southern efforts to water it down were crushed at every turn by a coalition of Republicans and Northern Democrats.

But in the Senate with its different rules of debate, the Southerners hold the weapon of a filibuster an dhope to weaken the measure by forcing a compromise.

Prosecution Through With Key Witness

By GAVIN SCOTT

CHATTANOOGA, Tenn. (AP) —The defense says it will let Edward G. Partin relinquish today the chair he has occupied a week as chief government witness in James R. Hoffa's trial on charges of attempted jury tampering.

Partin, a Teamsters Union official from Baton Rouge, La., appeared as a surprise witness a week ago today. Cross-examination started two days later.

Hoffa, president of the International Teamsters Union, and five others are accused of trying to fix the jury in his 1962 trial at Nashville on a conspiracy charge. That trial ended with a jury deadlocked 7-5 for acquittal.

In questioning Partin Monday, the defense learned the government issued four checks totaling \$

Black Hawks Scoring at Record Pace

MONTREAL (AP)—Stan Mikita of the Chicago Black Hawks is scoring at a record-breaking pace in the National Hockey League point-production race with 70 points in 54 games.

But the Black Hawks' All-Star center will have to step up his tempo if he hopes to better the season's scoring mark set by Dickie Moore in 1958-59.

Moore scored 96 points with the Montreal Canadiens that season and had 59 points in 54 games. The retired left winger then closed with a rush, collecting a whopping 37 points in his last 16 games.

At Mikita's current rate, he would accumulate 91 points, five less than Moore's output. Mikita opened a six-point lead in the scoring race over teammate Bobby Hull last week. League figures showed today that Mikita accounted for three points while Hull had one.

Mikita has 30 goals and 40 assists while Hull has collected 64 points on 33 tallies and 31 assists. Montreal's Jean Beliveau is third in the scoring race with 60 points and New York's Andy Bathgate ranks fourth with 57 points.

AFL Future Book Doing Business

NEW YORK (AP)—The American Football League's "future book" is doing a brisk business, according to an AFL proclamation issued Monday.

The young pro circuit announced that 19 future draft choices—double the number signed a year ago—have agreed to terms with AFL clubs.

The red shirts—players drafted in advance in 1962 when they had a year's college eligibility left after their original classes were graduated—include Baylor quarterback Don Trull, Penn State signal-caller Pete Liske, New Mexico halfback Preacher Pilot and Tulsa pass-catcher J. B. Simmons, all first-round selections.

Trull accepted the Houston Oilers' \$90,000, three-year package over a bid by Baltimore of the rival National League. Liske, Pilot and Simmons, all high NFL picks, signed with New York, Kansas City and Buffalo of the AFL.

Kansas City came up with a bumper crop of red shirts in addition to Pilot. Pittsburgh line-men Ernie Borghetti and John Maczuzak, Georgia Tech half-back Joe Auer, Mississippi Southern end Bill Freeman and Southwest Louisiana tackle Lowell Vaughn signed with the Chiefs.

Houston also landed Mississippi center Ken Dill and Texas tackle Staley Faulkner. The Oilers outbid Pittsburgh for Scott Appleton, Faulkner's illustrious running mate, in the 1963 grab-bag.

Mike Taliaferro, Illinois' quarterback, and Bert Wilder, a tackle from North Carolina State, joined Liske in the New York fold. Buffalo also signed Penn State tackle Harrison Rosdahl. Oakland got Arizona State tackle Rex Mirich.

Thirteen other 1962 futures on the AFL's list of 59 still are uncommitted, the league said.

The National League signed 12 of its 14 first-round selections in the 1963 draft while the AFL could land only three of eight. Arizona State back Tony Lorick has been claimed by both Baltimore of the NFL and Oakland.

Absence Has Not Hurt His Shooting

NEW YORK (AP)—A year's absence from playing basketball hasn't dimmed the shooting eye of Jerry Lucas, a prime candidate for Rookie of the Year honors in the National Basketball Association.

Lucas joined the Cincinnati Royals at the start of the current campaign after sitting out last season. The 6-foot-8, 230-pounder had been a three-time All-Amerca at Ohio State and was the Royals' 1962 territorial draft choice.

The transition from the collegians to the pro ranks hasn't affected the play of Lucas, who tops the NBA in field goal percentage and is the fourth leading rebounder.

Lucas has hit on 397 field goal attempts in 757 attempts for a .524 mark, league statistics showed today. He has grabbed 958 rebounds in 58 games for a 16.5 average.

The Royals' sharp-shooter also reached the 1,000-point figure this past week with 1,031 points for a 17.8 average.

Wilt Chamberlain of San Francisco continues to lead the scoring parade with 2,076 points, averaging 35.8. Cincinnati's Oscar Robertson is runner-up with 1,771 markers and a 30.5 average.

Cincinnati Schools Are Boycotted

CINCINNATI (AP)—A one-day Negro boycott of Cincinnati public schools in protest of alleged de facto segregation apparently got away to a peaceful start today.

First reports from police and scattered schools were that the boycott appeared to be meeting with limited success.

The Congress of Racial Equality is sponsoring the boycott.

Extra police were on duty although civil rights leaders continued to call for nonviolence.

School officials have denied the charge of segregation and have refused to go along with a request to appoint a biracial commission to study the charges.

About 37 per cent of the 83,000 students in public schools are estimated to be Negro.

There have been no previous boycotts in Cincinnati, which was the scene of a massive civil rights march last fall.

Slav City Gets American Houses

SKOPJE, Yugoslavia (AP)—The quake-stricken population of this Macedonian capital received Monday 253 new prefabricated buildings donated by the U.S. government and built by U.S. Army units.

The buildings were offered by the late President John F. Kennedy to President Tito when the two met in Washington in October last year.

House Rights

Continued From Page One

Senate Democratic leader Mike Mansfield outlined parliamentary moves Monday designed to delay Senate action on civil rights until the tax cut bill clears Congress, probably by the end of the month.

Johnson, in a statement, paid tribute to the bipartisan nature of the triumph in the House, declaring:

"It represents the culmination of months of hard work by men of good will in both parties."

"Now the task is before the Senate. I hope the same spirit of nonpartisanship will prevail there to assure passage of this bill guaranteeing the fundamental rights of all Americans."

Voting for the bill in the House were 152 Democrats and 138 Republicans. Voting against it were 96 Democrats and 34 Republicans.

The bill is aimed at ending racial discrimination in employment, public accommodations, voting, schools and other public facilities, and in federally aided programs. A new section added just before passage would create a community relations service to mediate racial disputes.

Baker Easy Approach to Key Issues

By JOHN CHADWICK

WASHINGTON (AP)—Bobby G. Baker for years seemed part of the Senate's background. For senators and newsmen alike he was an easily approached and helpful source of information about legislative activities.

If you had to know the whys and wherefores, it was, "Ask Bobby, he'll know"—and he usually did and would help. A nice looking young man, he was soft voiced, seldom ruffled, the very picture of youthful confidence and competence.

Since he resigned last Oct. 7 as secretary to the Senate's Democratic majority, and came under Senate investigation, he has been a hard man to catch up with in person or by telephone.

He apparently travels quite a bit now, sometimes under an assumed name. A friend describes him as still in "good spirits" and quite a busy man.

He is 35, but seems younger, and the name Bobby fits him well. He says he was born Bobby G. not Robert G., and the G. stands for Gene. Practically no one who knows him calls him Robert, although in recent years he sometimes signed documents as Robert G. Baker.

A one-time Senate page boy from Pickens, S.C., Baker rose to the position of secretary to the Democratic majority in 1955. He resigned the post, one of the Senate's lofty ones, after a \$300,000 damage suit by a local vending machine company raised questions about his outside business and financial dealings.

The Senate Rules Committee is now in the midst of an investigation of whether he engaged in activities that conflicted with his Senate duties or involved other improprieties.

The committee's special counsel, L. P. McLendon, has reported that Baker has refused to talk with staff investigators.

Kansans Now Have to Beat British

OLNEY, England (AP)—Mrs. Bridget Lowrie upset the pancake favorite today and turned in a time of 1 minute 06.4 seconds for the 415-yard course.

Now the ladies of Liberal Kan., some 5,000 miles away and six hours later, will have to beat that clocking in this annual Shrove Tuesday competition.

The females on both sides of the Atlantic compete for the international pancake trophy while flipping pancakes in a frying pan on the run.

In the Buckinghamshire town of Olney, Mrs. Lowrie, mother of two children, outpaced Miss Linda Risby, the favorite. Mrs. Lowrie got the traditional winner's kiss from one church vergar, Simon Knight, 20.

Mrs. Lowrie, who won the race five years ago, said she had not had any practice runs this year.

Thousands were on hand to watch the contest. The international prize is a silver skillet.

'Personality Cult' in Faubus Regime

SILVAM SPRINGS, Ark. (AP) Benton County Rep. Hardy Croxton has charged that a personality cult in the Faubus administration is "choking the state to death."

Croxton, told a Silvam Springs civic club Saturday, the personality cult stands in the way of reform. He said the Faubus administration does not allow a reform measure to be considered on its merit, but rather on how Faubus is affected by it.

"Reform usually starts at the bottom and works its way up through the people," Croxton said. "This is the way it should be. But for this situation to occur, the leadership at the top must be receptive to reform."

Croxton said that this has not been true for some time. "Any new ideas that begin in the legislature . . . are judged not on their merit, but whether they are regarded as pro-Faubus or anti-Faubus."

Head-on Wreck Proves Fatal

FAYETTEVILLE, Ark. (AP)—Mr. and Mrs. Ralph L. Johnson of Summers, in Washington County and Aubrey (Pat) Brock, 45, of nearby Lincoln were killed late Monday in a head-on collision on U.S. Highway 62 one mile west of Lincoln.

State Trooper James Morgan said Brock's car crashed head-on with a pickup truck driven by Johnson. Johnson was 65, his wife 60.

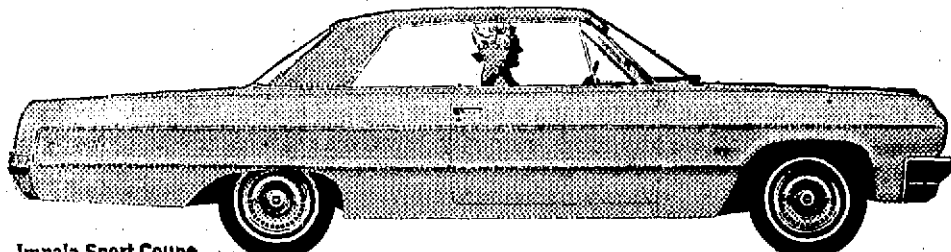

Lincoln is about 17 miles southwest of Fayetteville.

DOROTHY DIX

HIS DIARY TOLD ALL By Helen Worden Brakins

Dear Helen: My husband and I eloped long, long ago, when I was 16 and he 23. It was love at first sight. To me marriage meant a man and woman living together with the blessing of the church and having love and respect for one another. Time passed and I noticed him flirting with other women. What is going on? I would ask. "Either you go with me, or them. Take your choice." He said, "I don't want anyone else but you!" And I believed him.

Those were busy years, keeping house, raising our boy, and when he grew old enough to leave, taking a job to help out at home. Then my husband had his first heart attack. In 1952 our son married. In 1962 my husband suffered his second heart attack and passed away. He had always kept a lot of bound books under lock and key in a glass-paned, sectional bookcase. Going through his things one day I found the key. Tearfully, thinking of all our years together, I unlocked the case and reached for the nearest book — one of 55 of similar size and binding. To my amazement, I saw it was a diary, dated the year we were married and neatly kept, page after page, in my husband's handwriting.

As I began to read my head pounded and I wanted to die. This was a Casanova's history. While on our honeymoon my husband had his first love affair with another woman, describing it in detail. Others followed, more than 50 in all. Shaken though I was I could not tear myself away from that bookcase. For days all I did was read about the extracurricular romancing of a man I thought was faithful to me.

He repeatedly referred to one woman with whom he had had a terrific love affair. "This has been like heaven," he wrote. "It is the greatest love either of us ever experienced, so great, it's almost like Romeo and Juliet, only we are older — I'm 45, she is 38."

She was married and had an eight-year-old boy. "She wants to be my inspiration," he wrote in another entry, "to make me a big man and to grow with me so that we'll be worthy of one another. I've never loved any other woman as I love her." According to his next diary he was still seeing her though not so often. Then he met another woman and the two became insanely jealous. They even fought over him! And here I was, innocent, unsuspecting, slaving to keep the home, myself and our son; as everything should be for him!

How can such a man sit at table and break bread with two decent, honest people like me and the boy, knowing himself to be a cheat and liar? Was he beast or man? Six weeks have passed since I read those diaries but I'm still such a nervous wreck I can't eat or sleep. I know I am torturing myself. But what can I do? I had faith — he seemed so decent. —Very Depressed.

Dear Depressed: Your letter presents a tragic close-up of La.

Mr. and Mrs. W. C. Erfurth of Little Rock spent the weekend with Mrs. John Vesey.

what goes on in the lives of more married couples than we realize. In your case, all I can say is, pick up the pieces and go on. Your compensation is your son. Naturally, you are outraged and hurt but for his sake, force yourself to start a new life. Develop other interests. Go places, see people, make other friends. Above all don't let your husband's Casanova tendencies corrode your heart. Burn his diaries. Wipe their contents out of your consciousness. Remember his good points, forget the bad. What he did is no longer any responsibility of yours. You need a complete change of environment. Send a stamped, self-addressed envelope for my leaflet, "Travel and Work."

Dar Helen: I'm going with a wonderful guy who has just bought me a diamond ring. His mother said if he did she would not buy him a car. We're both just 17 and she thinks that's too young to get serious, not appreciating the fact that he's more mature than most boys his age. He told me, in front of my parents, that he put his love for me higher than his desire for a car, so we went and picked out my diamond.

Here's my worry. If we show it to his mother she will make it rough for both of us. Friends say we should keep it a secret until the ring is paid for. What should we do? Both his parents like me and mine like him. What's right, tell his mother now, or later? —Want to Know.

Dear Want: Deceit of any sort is bad business. If you eventually marry this boy, as you evidently plan to do, his mother is going to have a real place in your life. For the good of all concerned, be as fair and above-board with her as you would want her to be with you. Incidentally, has your boy friend earned the money to pay for the ring, or is his mother unsuspectingly footing the bill? If the former, keep the ring and show it to her with pride. If the latter, return it until your boy friend can pay for it himself.

Confidential to Desperate: Tell your brother-in-law to keep his hands where they belong or else. If he won't, go straight to his brother and your sister.

Probers Find Mrs. Oswald Some Talker

By STERLING F. GREEN WASHINGTON (AP) — Mrs. Marguerite Oswald looked folksy and comfortable, a grandmotherly type in horn-rimmed spectacles.

She had a smile for the cameras and a statement ready for the press, but she didn't get to make it.

Mrs. Oswald, 56, has been shushed firmly by a lawyer who thinks she should save her talking for the ears of the presidential commission investigating the assassination of President John F. Kennedy. And talk she did, behind

Elderly Care Plan Locked in Committee

By EDMOND LEBRETON

WASHINGTON (AP) — President Johnson's main health proposal, enactment of a care plan for the elderly under Social Security, appeared to be locked today in the House Ways and Means Committee. Its predecessors have been locked there for years.

The committee plans sessions on the measure, perhaps as early as the first week of March but there was no sign that more than 12 of the 25 members' votes could be gained to send it to the House.

Friends and foes of the plan agreed it was only chance—and a slim one—was that a compromise acceptable to Chairman Wilbur D. Mills, D-Ark., can be worked out.

However, another recommendation Johnson made in a special message to Congress Monday—a five-year extension and broadening of the program for federal help in building hospitals—had brighter prospects.

Chairman Oren Harris, D-Ark., of the House Commerce Committee, which handles hospital aid legislation, said "indeed we will" have hearings soon.

"We have to move fast because the present authorization expires June 30," Harris said. Rep. Carl Albert of Oklahoma, House Democratic leader, said he thinks the hospital program stands an excellent chance of enactment this year as it has "always been a popular program in Congress."

Johnson did not spell out his closed doors. She testified for six solid hours Monday without saying anything which, in the opinion of Chief Justice Earl Warren, "would change the picture" of her son's role in the tragedy.

Nor did she claim that Lee Harvey Oswald, the truant son who at 13 was diagnosed as a potentially "dangerous person," did not fire the shots on Nov. 22 that killed Kennedy and wounded Gov. John Connally of Texas.

But as Warren observed, the commission has not yet interrupted the flow of testimony to ask that question, and he advised newsmen not to draw any inferences from the omission, because: "We have hardly asked her any questions throughout the day and of course she says she has more testimony to give."

The lawyer who first took up the mother's case, Mark Lane of New York City, was not on hand Monday. Mrs. Oswald asked that a new lawyer be provided.

The commission asked the District of Columbia Bar Association which designated John F. Boyle, formerly of Kansas City, a highly regarded Washington lawyer and a former assistant U.S. attorney.

Cambodia Gets Russian Arms

MOSCOW (AP)—Izvestia announced Monday night that Soviet military equipment has been presented as a gift to Cambodia by Premier Khrushchev. The nature and quantity of the material was not specified.

proposal for medical insurance for the elderly under Social Security financing. He presumably wants a program like the one the late President John F. Kennedy sought, which is embodied in the King-Anderson bill.

The bill calls for a guarantee of hospital, nursing home and some outpatient services to those over 65. The Social Security pay roll tax would be increased by one-quarter of 1 percent each on employers and employees and its coverage broadened from \$4,800 of earnings to \$5,200. For aged outside the Social Security System, general appropriations would pay the way.

"What is so rare as a day in June" . . . unless it is a day in February? The weather may be one thing we cannot control, but at least we can enjoy it. And every time we have one of those lovely June days in February . . . we appreciate!

February is a wonderful month, although it is short. There are important birthdays and Valentine's Day and . . . a decided touch of spring in the air. Every day it becomes a little more pronounced; tulips are pushing up, the grass is greener in spots, and guess who saw a robin . . . sure enough!

However, we have another way of knowing, and there is no mistake about it. Spring gives a woman new hope, enables her to put aside the cares of a tired winter world and . . . she begins to think of new clothes. Don't ask us why . . . but we can tell you where . . .

At **Raley's Style Shoppe** we are looking forward to the early Easter, and we have feminine finery to prove it.

Stripes crop up every spring and it is no wonder; they are crisp and fresh looking. Take, for instance, the French 3-piece suit, the over blouse designed with an Ascot tie. A Jon McCauley stripe with a touch of red in the shell blouse —

The Donovan — Galvani Original Acetate Rayon stripe in black-white, navy-white or brown-white. Fully lined jacket sheath skirt and white blouse yours to wear from now on . . . \$29.95.

Coming or going, it is silk this spring. You will love the linen-weave, shantung or the smooth weave in suits or dresses. They come in several colors and are so basic . . . \$29.95 — we also have silk and lace creations for those special occasions from \$29.95 to \$49.95.

We have suits, hats, gloves and all accessories; you will have fun shopping, and we will be delighted to see you . . . at **Raley's Style Shoppe, Hope's House of Fashion, 523 W. 3rd.**

THE DEPENDABLES: SUCCESS CARS OF '64

The fuel is regular. The performance is premium.

Premium performance doesn't cost a nickel extra in a '64 Dodge. Because under that handsome hood lurks the largest standard engine in the low-price field (318 cu. in. V8). It doesn't cost you extra at the gas pump, either! Regular grade fuel suits it just fine.

Dodge is as luxurious as it is lively. The Polara 2-door hardtop above, for instance, features a rich saddle-grain vinyl interior, a comfort-providing flip-down center armrest, foam seat padding, and thick wall-to-wall carpeting—all standard equipment. Yet it's priced right with comparable models of Ford and Chevrolet.

In all, there are twenty-two Dodge models to choose from. In

three series. Each is a low-priced car. And each is backed by a long, strong 5-year/50,000-mile warranty.* You could easily pay more for such a fine automobile, but why should you? See your Dependable Dodge Dealer instead!

HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE WARRANTY PROTECTS YOU: Chrysler Corporation's new 5-year, 50,000-mile warranty covers all parts that prove defective in material and workmanship. It will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine and parts (excluding manual clutch), torque converter, drive shafts, universal joints, rear axle and parts (excluding rear wheel bearings). Required Maintenance: The following maintenance services are required under the warranty: oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such service and your car's mileage. Simple enough for such important protection.

I put an arm around her. I said, "The Treasury Department has moved in on Las Vegas. Covalt is dead. Charlton is a substantial citizen. The two of you could clear yourselves of Rick Cannard's death."

"Jack would never ..."

"He's a coward. You and he are alive. It would be safest to put the blame on Covalt. If Sammy Shinn was active during Prohibition, he's dead now, was dying when you knew him. Even if he's alive he's no longer in control. Not with things as they are now. They're too ticklish."

Gail settled into the curve of my arm, pressed close. She said soberly, "He knew; they know; it would be too dangerous ..."

"Know what?"

"We skipped it, Duffey. It was another of those points of no return."

"Tomorrow," I said gently, "we've got to go back down the mountain. The seas are receding from the island. There's only a little time to talk, for confessions to be good for our souls."

"What was she like?"

"Who?"

"Your wife."

"You're changing the subject."

"You have a soul, too. So maybe it's your turn to clean out the bird cage."

I thought about Mernie. I said, "She was and still is. I suspect, a beautiful woman. We met when I was still a hero. We had a great honeymoon and a marriage. After the first few weeks wore off, she found out she didn't have much. I was mentally, physically, spiritually and financially bankrupt."

"I know about you, Duffey. Her."

"Brown hair," I said, "wavy and loose to the shoulders, or else done up in a tall bun like a Spanish beauty. Blue eyes large enough to swim in. A figure she wore like a flag. If I had been her kind of man, or enough of a man, it might have worked out."

"Stop pecking the ground, Duffey; stop trying to rip out one of those steel spring slivers."

"Now," I said, "we are waiting."

I tried on a smile that fitted like a bargain sports coat. "It's going to get worse before it gets better," I suggested.

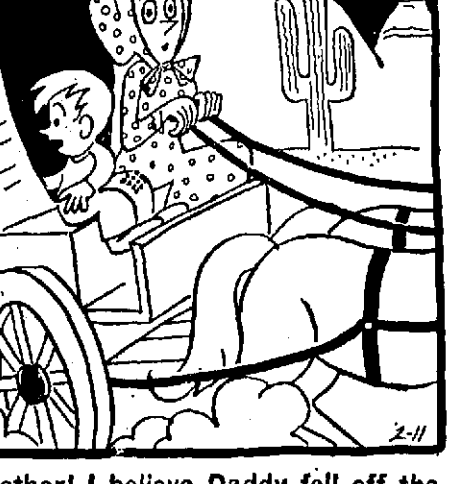

Her smile wasn't much better than mine. "Could it?"

"What did Charlton mean to you, personally?"

Local Teams Bring Home a Couple of Wins

By CARTER HARDAGE
Hope Star Sports Writer

Bringing home two wins out of three games, Hope teams showed their might Monday night over at Emmet. The "B" Boys took the Emmet Seniors for a 49-36 cleaning, and the Junior Girls won by the big margin of 30-14, but the Senior Girls fell prey to the Lady Eagles 33-29.

Breaking out of their mid-season slump, and enraged by their single-point loss to a tough Malvern squad Saturday, the "B" Boys were ready for Emmet.

They built up a quick lead in the First Half, and then sent in the subs to finish plucking the Eagles.

Head plucker of the evening turned out to be Buddy Jordan with a total of 18 feathers, 1 mean points, to his credit. Jack Watkins and Paul Guerin had 7 each. Dennis Ramsey had 6, Virgil McNatt 3, and Charlie Beard, Larry Webb, Gene Thompson, and Bobby McGill had 2 apiece. Daniels had 10 for the opposition.

Hope's Ladies had one of the rare occasions when they drop a game last night, and this by the slim margin of 33-29 to a tough Emmet team.

Shirley Smith was high with 13, Phyllis Martin 10, and Annette Hatfield 6.

After starting off to a slow First Quarter, the Junior Girls rallied during the second period to retake the lead and keep it. Their victory was a wide 30-14.

Cindy Reese had 17 to be high pointer, Debbie Connelly had 8, and Carol Anthony 3.

Friday night the Cats take to the road for one of their toughest games with the Buckaroos of Smackover. The Bucks are the only other team that has handed Malvern a loss. Saturday night Camden comes to Hope.

Griffith in Knock Out Victory

SYDNEY, Australia (AP) — The string may be running out for Ralph Dupas, the New Orleans swifty who has spent almost half of his 28 years in the fight game.

Dupas, a crafty stylist who had been stopped only twice in his first 124 bouts since turning pro 13 years ago, was a knock-out victim for the third time in six months Monday.

Welterweight champion Emile Griffith floored Dupas three times in the second of a scheduled 12-round nontitle meeting here, then took the veteran out at two minutes of the third heat.

Dupas said he'll lay off boxing for four or five months, then make up his mind about the future.

Dupas, who has been out of the United States for seven months, said he will return home in March after taking a holiday in Australia.

Dupas' head struck the canvas on the fourth and final knockdown and an anxious Griffith spent the next five minutes at the fallen fighter's side.

An ambulance crew rushed into the ring and, with Dupas' handlers, mopped blood from the unconscious fighter's face and applied ice packs to the back of his neck.

Dupas finally came around and the two fighters left the ring.

Griffith said later he wasn't thinking of Benny Paret's death under similar circumstances, while Dupas was out. But there was no doubt that the Virgin Islands-born champion was concerned deeply.

Paret, one-time welterweight champ, died after being battered and then knocked out by Griffith in an April, 1962, title fight.

It was Dupas' second loss to Griffith, who decided the Louisiana campaign in a 1962 title go. Ralph has won 99, lost 22 and fought to draws eight times. He may be ready to call it a career after Monday's third straight 10-count.

Gaspar Ortega, 149½, Mexico, 10.

Allen Held to 25, AM&N Loses

PINE BLUFF, Ark. (AP) — Jackson State College of Jackson, Miss., overcame a halftime deficit to beat Arkansas AM&N 88-96 in a basketball game here Monday night.

It was the first home loss of the season for the Golden Lions, who now have a season record of 16-5.

Top scorer was Harold Blewins with 36 points for AM&N. James Mack Allen added 25 for the Golden Lions.

Tech, A&M May Settle SWC Title

By THE ASSOCIATED PRESS

Pit the top scoring team in Southwest Conference basketball against the stingiest defensive club and you should turn up a solid clue to this year's champion.

That's what happens tonight as front running Texas A&M, which has given up the fewest points in league games, invades Lubbock to battle runnerup Texas Tech, which has set the scoring pace.

It's a key juncture in the campaign for both. Victory for the Aggies, unbeaten in six conference starts, would double their present one-game lead. Tech's Red Raiders, presently 6-1, could pull into a tie for first by derailling A&M.

So far the Aggies have held Southwest Conference rivals to an average of 62.8 points while scoring at a 76.8 clip themselves. In turn, the Raiders have posted the top mark of 85 points plus per game while yielding 75.6.

Interest at Lubbock couldn't be much keener. Fans are expected to fill both the city's 10,000-seat Coliseum here the game will be played and a neighboring auditorium, where it will be carried by closed circuit television for 3,000 more spectators.

Every other conference member also will see action tonight. If Texas Tech loses, the two tied for third place at 4-2—Rice and Southern Methodist—could pull into a second place deadlock.

UCLA Bruins Remain at Top of Heap

By THE ASSOCIATED PRESS

The UCLA Bruins, bombing along unbeaten, remain atop the weekly Associated Press basketball poll virtually without challenge.

The Bruins, the only major college basketball team still unbeaten, polled all but two of the 35 first place ballots cast Monday by a special panel of sportswriters and sportscasters throughout the nation.

Mighty Michigan and on-rushing Kentucky remained in the second and third place slots but most of the other teams in the select crew were shaken up in the weekly voting.

The biggest changes involved defending national champion Chicago Loyola, which dropped out of the Top Ten, and Oregon State, unranked a week ago and now No. 9.

Loyola lost both outings last week, 65-60 to Wichita and 71-69 to St. John's of New York. Oregon State improved its record to 20-3 with a pair of victories over Portland, 97-63 and 95-61.

UCLA, 19-0 for the season, beat California twice, 87-67 and 88-56, and gained 347 points in the poll on the basis of 10 for first, nine for second, eight for third and so on.

Michigan, 16-2, got 298 points, including one first place ballot, despite an early week 86-85 setback by Ohio State. Kentucky, 17-2 through the weekend, was a close third with 282 points.

Davidson beat Georgia Southern and William and Mary and moved up one notch to fourth while Duke, which gained the only other first place vote jumped two places to fifth. Davidson is 18-1 and Duke beat North Carolina State and Maryland for a 15-3 mark through the weekend.

Wichita and Villanova, each an upset victim, each dropped two places. Wichita fell to sixth after losing to Bradley 76-74 and Villanova slipped to eighth after losing to LaSalle 63-59.

Vanderbilt, which scored over Alabama, Tulane and Louisiana State, moved up one to seventh. Oregon State took over ninth and DePaul is 10th.

The Top Ten, with first place votes in parentheses, season records through Saturday, Feb. 8 and points on a 10-9-8-7-6-5-4-3-2-1 basis:

	W. L.	Pts.
1. UCLA (33)	19	0 347
2. Michigan (1)	16	2 298

Braves Will Be Better Challengers

14th of a series of team prospects for 1964, written under the manager's own byline

Milwaukee Braves

FORT WORTH, Tex. (AP)—The Braves are in better position to challenge for the National League pennant than at any time since I came to Milwaukee.

When the 1963 season ended, I said I felt we needed more speed and power. I also said I felt we were just two men away from being a contender.

Well, we got the two men in the trade we completed with the Giants. In acquiring Felipe Alou and Ed Bailey, we got the speed and power we needed to become a challenger for the National League pennant.

The trade made us more solid and diversified than ever before. For the first time since the Braves' pennant winning years, we have an outfield that appears set with Henry Aaron in right, Alou in center and Lee Maye, backed by Ty Cline, Don Dillard, Mack Jones and Len Gabrielson in left.

Alou not only adds speed and defensive ability but he should help us in the run-making department. He hits with consistency and power. His batting average dropped a bit last year but he still had 20 homers and 82 runs batted in.

I look for him to hit more home runs, drive in more runs and hit for a higher average.

And don't overlook Bailey. With him and Torre, we've got the best 1-2 catching punch in baseball. Bailey also is one of the best pinch hitters around.

His presence will enable us to play Torre at first, if needed.

But right now, Torre is our No. 1 catcher and Gene Oliver is our No. 1 first baseman.

There is no question but what the absence of Bob Shaw and Bob Hendley, two pitchers we sent to the Giants, could necessitate the acquisition of another pitcher. But we have good reports on a couple of youngsters, Dick Kelley and Jerry Hummeltzsch, and we drafted Jack Smith from the Dodgers' Spokane club.

Our young pitchers — Denny LeMaster, Tony Cloninger, Bob Sadowski, Hank Fischer and Danny Schneider—are going to carry the staff in the years to come. They all have fine futures in the big leagues.

And don't forget Warren Spahn. He's still the key man of the pitching staff. I don't care how old he is, I'm convinced he'll win 20 again next season. We're pretty well set in the bullpen too, with Bob Tiefenauer, Ron Piche, Frank Funk, Billy Hoelt and Smith.

I'm happy about my infield. Our second base combination of Frank Bolling and Roy McMillan are the unsung kind of players you hear about. Year after year they do their usual brilliant job with the glove and provide a big help with their bats, too. I'd rate both among the best clutch hitters on the club.

I see where Eddie Mathews led the National League third basemen in fielding last year. I know he can play third as well as anybody but I may try him out in left field, too.

Some Question About Scoring in Wichita Loss

By BOB GREEN
Associated Press Sports Writer

The final score was Drake 64, Wichita 63. And that's the way it will go into the books. But the question remains:

Was it legit?

Wichita coach Ralph Miller says no. Scorebooks kept by newsmen covering the game support him.

Billy Foster connected on a 20-foot jump shot at the buzzer to complete the Drake rally against the nationally sixth-ranked Wheatshockers. The victory also vaulted the Bulldogs over Wichita and into first place in the Missouri Valley Conference.

But should Foster have been in the game?

He was charged with a personal foul about five minutes before the end. Miller protested at the time that it was Foster's fifth, which would have taken him out of action. Newsmen covering the game agreed that it was his fifth.

But the official scorers' book had it No. 4 and he was allowed to continue play.

The loss was the second straight for Wichita and reduced its conference mark to 6-2, 17-5 over-all. Drake now is 5-1 in the league, 15-4 over all.

Kentucky and Duke, the only other ranked teams in action, rolled along on schedule. No. 3 Kentucky boosted its record to 182 with a 65-59 edge over Mississippi State and No. 5 Duke, 16-3, bombed Virginia 80-59.

Aside from Drake's triumph, one of the biggest upsets was Nebraska's 54-53 surprise of Oklahoma State. That, combined with Colorado's 86-65 conquest of Oklahoma threw the Big Eight lead into a three-way tie. Colorado, Oklahoma State and Kansas State all are 5-2 in the league.

All-America Gary Bradds continued his blistering scoring pace for Ohio State and led the Buckeyes to a 110-92 Big Ten victory over Illinois.

Bradds scored a school high 49 points on 17 of 29 from the field and 15 of 16 free throws. It was the fifth straight game in which he had scored 40 or more points and gave him 226 points in his last five starts.

In other major action, Cincinnati edged Houston 66-59 in overtime, Texas Western beat Denver 62-48, Iowa State outlasted Missouri 83-79, Tennessee routed

Mississippi 92-54, Creighton whipped Miami, Fla., 124-94, Alabama nipped Georgia 72-70, Iowa beat Indiana 82-75, Auburn blasted Florida 79-58, Virginia Tech got by William and Mary 90-86, Memphis State took Florida State 84-71 and Oklahoma City mauled New Orleans Loyola 77-54.

Our last offer of five years, the first two free, is the best ever in organized ball," Davis said. "Finley himself said the rent isn't the issue, that it's peanuts. The fans can't be expected to turn out without a long-term lease, to remove the threat of the club leaving."

Finley said any comment on from the league, that he had in arbitration would have to come formed the league of his position on it.

KC Places Dispute in League Lap

By JIM VAN VALKENBURG

KANSAS CITY (AP)—Mayor Jius W. Davis has put the city's stadium lease dispute with Charles O. Finley in the laps of the American League club owners by refusing impartial arbitration, offered by league President Joe Cronin.

Both Finley and the league refused to disclose Finley's reaction to the arbitration proposal. The club owners have given Finley until Saturday to sign a lease in Kansas City, or face expulsion from the league. The original deadline of Feb. 1 was extended two weeks.

It's questionable whether the league owners are prepared to follow through with this order and take over the franchise of the Athletics.

Finley himself has said "there's not a chance in the world they can take my franchise away from me." Finley threatened to go to court, after the league rejected his bid to move to Louisville Jan. 16.

A minority of the owners and Cronin were known to favor a compromise of some type, such as a three-year pact or arbitration,
